NOTICE TO BIDDERS: Sealed bids will be received from contractors by the Public Works Department, Town of Twisp, 110 E. 2nd Ave, P.O. Box 278, Twisp, WA 98856 until 2:00 pm, Thursday, June 24, 2021 for the Well #4 Replacement Project. All bids shall be received in sealed envelopes with "TWISP WELL #4 REPLACEMENT PROJECT" marked plainly thereon. Said bids will then and there be opened and read aloud. Bidders and other properly interested parties are invited to witness the bid opening with the above virtual meeting link.

Bids received after the time fixed for opening cannot be considered. The Project involves drilling, casing, completing, developing, and testing water at the Town's Well #4 site.

The Contract Documents may be obtained from Wilson Engineering L.L.C., 805 Dupont Street, Bellingham, WA 98225. Please contact Melanie Mankamyer or Brian Smith, Wilson Engineering, (360) 733-6100, for project information. There is a \$50 non-refundable charge for hard copies of the Contract Documents. Only bids from bidders who have obtained the Contract Documents and have requested to be listed on the Plan holders List, will be accepted. Copies of plans and specifications are on file for review at various construction councils and online at <http://www.wilsonengineering.com/bidding-documents.aspx>.

A deposit in the form of a postal money order, cashier's check, or bond in the amount of 5% of the greatest amount bid must be submitted with each bid proposal. Should the successful bidder fail to enter into a contract or furnish a satisfactory contract bond within the time stated in the specifications, the deposit shall be forfeited to the Town.

There will not be a pre-bid meeting for the Project. If Contractors wish to see the existing well site area prior to the bid opening, arrangements will be made through the engineer.

The Town reserves the right to reject any or all bids if such action is in the best interest of the Town. The Town of Twisp is an equal opportunity and affirmative action employer. The project will be funded by the Town of Twisp. All bidders must be licensed contractors registered in the State of Washington. In addition, the Contractor will need a Town of Twisp business license before starting work. All work performed on this project will be subject to prevailing state wage rates.
