

ADVERTISEMENT FOR BIDS
CATTLE POINT WATER DISTRICT
FRIDAY HARBOR, WA
WATER MAIN REPLACEMENT PROJECT

General Notice

Cattle Point Water District (Owner) is requesting Bids for the construction of the following Project:

Water Main Replacement Project
WE #2021-042

Bids for the construction of the Project will be received at the office of the **Wilson Engineering, LLC** located at **805 Dupont Street, Suite 7, Bellingham, WA, 98225**, until **Wednesday, November 10, 2021 at 3:00 pm** local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

Replacement of about 8,000 feet of watermain and appurtenances with 4-inch HDPE pipe.

Bids are requested for the following Contract: **Water Main Replacement Project**

Owner anticipates that the Project's total bid price will be approximately **\$750,000**. The Project has an expected duration of **110 calendar** days.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

<https://wilsonengineering.com/bidding-documents/>

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

Pre-bid Conference

A pre-bid conference for the Project will be held virtually on **Monday, November 1, 2021 at 3:00 pm**. Attendance at the pre-bid conference is encouraged but not required. A link for the meeting will be provided to all Planholders. Contractors are encouraged to visit the site prior to the pre-bid conference. Contact Mark Prugar, Commissioner, for a guided site visit (cpwd-p2@outlook.com).

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel: Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A – Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American

Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term “iron and steel products” means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimus.

Minor Components

Pig Iron and direct reduced iron
